

The monitoring visit for the HiEdTec project

The monitoring visit for the HiEdTec project - "Modernization of higher education in Central Asia through new technologies" was implemented by Kudratkhon Bakhadirov and Gulshoda Karlibaeva, NEO Uzbekistan experts on 19 September 2019 at Tashkent State University of Economics (TSUE).

The purpose of the visit is to learn about the activities realised and products developed so far, as well as to observe if the project has encountered any problems in operational or financial implementation that can be discussed and solved.

The meeting was attended by 2 vice-rectors, the head of the educational department of TSUE, 3 participants from TUIT, 4 participants from TSUE and doctoral students and students. Sabirjan Yusupov, Rashid Nasimov and Nilufar Allaberganova made reports in monitoring. Questions were asked by representatives of NEO Uzbekistan about the activities realised and developed so far products, as well as to observe if the project has encountered any problems in operational or financial implementation.

Further, there were discussions with the project participants.

At the end of the monitoring visit, representatives of NEO Uzbekistan provided preliminary informal feedback, stressing that the project was being successfully implemented, a good team was formed, and project management was carried out at high levels.

NEO Uzbekistan will send us a final written review of monitoring visit with its recommendations for next week.
